1. PARTIES TO THE AGREEMENT

AUTHOR OF THE DISSERTATION

Name Hongyu Su (hereinafter referred to as the Author)
Address Konepöntie 2, FI-02150 Espoo, Finland

PUBLISHER

Aalto University, P.O. Box 11000, FI-00076 Aalto, Business ID: FI22283574 (hereinafter referred to as the Aalto University Library)

2. PUBLICATION

Title of the dissertation, which has been granted permission to publish

Multilabel Classification through Structured Output Learning - Methods and Applications (hereinafter referred to as the Dissertation)

In this conjunction, the Dissertation refers to a monograph in its entirety or a compound dissertation which comprises a summary and independent articles.

3. PURPOSE OF THE AGREEMENT

The Author hereby grants the Aalto University Library the right to publish his or her Dissertation in an electronic format so that it may be accessed, browsed and printed by the general public through an electronic network.

4. AUTHOR'S RESPONSIBILITIES

The Author hereby agrees to hand in a version of his or her dissertation to the Aalto University Library which is identical in content to the dissertation which has been granted permission to publish by the Aalto University.

The Author is solely responsible for the contents of the Dissertation and his or her copyrights thereof. The Author shall guarantee that he or she has the necessary rights to any pictorial or other additional material included in the Dissertation to allow the signing of the Agreement.

The Dissertation shall be delivered in a file format suitable for publishing on an electronic network either through data transfer or a data carrier to be agreed upon separately. The doctoral candidate shall contact the Aalto University Library in order to deliver his or her Dissertation in time so that it can be published on an electronic network no later than 10 days prior to the public defence of the Dissertation.

5. AALTO UNIVERSITY LIBRARY'S RESPONSIBILITIES

The Aalto University Library is responsible, in addition to tasks stipulated in Paragraph 3, for obtaining the necessary identification code (ISBN, URN) for the Dissertation to be published on an electronic network, for adding the publication details to library catalogues, and for providing identification information (metadata) of the Dissertation, the copyright information and access to the Dissertation on an electronic network.

The Aalto University Library shall make sure that the Dissertation is published on an electronic network with a content identical to the version delivered by the Author. The Author is entitled to verify that the contents of the version published by the Aalto University Library are identical to the one delivered by him or her before publication. The Aalto University Library shall immediately correct any errors caused by technical conversion.

The Aalto University Library shall be responsible for the availability of the Dissertation on an electronic network and provide, in conjunction with the service, the required notification pertaining to the use of material protected by copyright law. For

long-term storage of the Dissertation, the Aalto University Library shall file a copy of the Dissertation in its archives.

6. COMPENSATION

The Aalto University Library shall not pay the Author any form of compensation for using the Dissertation. The Author shall not pay the Aalto University Library any form of compensation for carrying out duties laid out in the Agreement. Parties to the Agreement shall not charge fees or receive compensation from the public for the use or personal printouts of the Dissertation on an electronic network.

7. COPYRIGHT

The copyright of the Dissertation is held by the Author. The Aalto University Library has the right to convert the Dissertation into formats required by the network service and to maintain the Dissertation on its WWW services until the expiry of the Agreement.

8. TERMINATION OF THE AGREEMENT

The Aalto University Library has the right to terminate the Agreement immediately, if the Author proves to have provided misleading or false information as per Paragraph 4, Section 2. The termination of the Agreement does not relieve the Author of his or her responsibilities and potential liability for damages.

For exceptionally weighty reasons, or if the Aalto University Library has failed to carry out the duties laid out in the Agreement, the Author may terminate the Agreement in writing effective one month from the notice.

If the Agreement is terminated owing to reasons other than those for which the Aalto University Library is responsible, the Aalto University Library has the right to withhold the filing copy of the Dissertation and to receive 30 printed copies of the Dissertation within a reasonable period of time from the termination of the Agreement, in order to meet the requirements of the publication exchange.

9. SETTLEMENT OF DISPUTES

Disputes arising from the interpretation of this Agreement shall be settled primarily through negotiations.

10. AGREEMENT COPIES

This Agreement has been made in two identical copies, one for each Party to the Agreement.
